Re: Letter dated September 23, 2008, Amended 12 Day Pre-Primary  
Report, ID No.: C00424713

Dear Ms. Iovino:

Thank you for your letter regarding the amended Pre-Primary Report. Specifically, you asked for additional information on two topics, which we have explained below:

1. This has been resolved. Per our previous letter, we switched filing software in July from the free FEC software to Complete Campaigns. During the process of uploading all the data from previous filings, some data from previous filings got coded incorrectly, thus throwing off the cycle-to-date totals.
2. The previous reports indicating an outstanding debt to Total Solutions Marketing was an ongoing error in that the debt was actually paid on July 10, 2006, and reported as such on the appropriate quarterly filing.

If you have any further questions, please do not hesitate to contact the Committee. Thank you.

Sincerely,

Alan Grayson
